Dear Parents / Guardians,

Greetings!

*It is observed evidently that many students are badly **addicted to social media**. Children hide various Apps in their parents' mobile and misuse mobile at home. As a result, those children are not able to concentrate on studies, they show disinterest in studies, they lack proper sleep at home. The side effects of these activities are seen in their social behavioural pattern, and lethargic attitude towards academics. Parents of the children of Std. III to Std XII are requested to look into this concern seriously; act and guide your wards properly.*

Teachers and school administration have been advising students on this matter, many times till today.

Let us work together for the bright future of children.

Thank You,

Fr. K.P. Dominic, S.J.
